Thinking Faith S02E08: Youth Ministry: Making a Mess with Michelle Braden and Braden Kuntz - Part 1

In this part one of two episodes, Deacon Eric and guests Michelle Braden and Braden Kuntz from the Office of Youth and Young Adult Ministry discuss the impact of Pope

Francis' approach to youth ministry. Commemorating Pope Francis' passing, they explore his efforts to reach the most marginalized in the church, including young people, and highlight the significance of creating spaces for authentic spiritual engagement. The discussion underscores the evolving challenges and opportunities in youth ministry, emphasizing the importance of relational accompaniment and the continued relevance of church traditions in a rapidly changing world.

"The Advocate, the Holy Spirit whom the Father will send in my name, will teach you everything and remind you of all that I told you." - John 14:26

The materialism of our society lures us to concentrate more on what we want than on what God wants for us. The relativism of our world tells us that we should be tolerant of all things, that there is no absolute truth. Pray to the Holy Spirit to transform our lives and to guide our thoughts, words and actions. What you put in your mind, heart, and soul affects your actions. Put good things in and good things will come out.
